

Dear Members of Flushing Presbyterian,

The members of Session would like to inform you that, given the current circumstances, we feel it is in the best interest of our members that we cancel worship services for this Sunday, March 15th and next Sunday, March 22nd. After that time, the Session will reassess the situation to determine if canceling additional Sundays will be warranted.

If you have any needs or concerns, we urge you to reach out to one of your Session members. Their names and phone numbers are listed below. They will be happy to help you in any way they can or find someone who can help you if they are unable. The health and well being of our members is our utmost priority. Please take care of yourselves during this time of continuous change and uncertainty.

God's blessings and grace to us all,
Your Session
